**Wound Healing and Hyperbaric
Medicine Conference**
Presented by Billings Clinic
October 16 and 17, 2025

2025 Wound Healing & Hyperbaric Medicine Conference

Presented by Billings Clinic

October 16 and 17, 2025

For Physicians, APPS, Nurses, and Allied Health
Professionals

Course Description:

The 2025 Wound Healing and Hyperbaric Medicine Conference is designed for physicians, APPs, nurses, and other allied health professionals seeking foundational knowledge and practical insights into advanced wound care. The curriculum will benefit a diverse group, including primary care and specialty staff (e.g., outpatient, ICU, med-surg) as well as newly onboarded staff, bedside nurses, and regional healthcare partners. Readily applicable clinical pearls and tips for what can be done at critical access hospitals will be presented along with a deeper understanding of conditions. This activity is not intended for seasoned wound care specialists who already possess a comprehensive understanding of the subject matter. Topics include wound medicine basics, hyperbaric medicine, lobular lymphedema, pressure ulcers, and podiatry in wound care.

Accreditation:

Billings Clinic is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Billings Clinic designates this Live activity for a maximum of 6.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Credit equivalencies for non-physician learners:

AAPA

American Academy of Physician Assistants accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit(s)™* from organizations accredited by the ACCME. The National Commission on Certification of Physician Assistants (NCCPA) states that the *AMA PRA Category 1 Credits™* are acceptable for continuing medical education requirements for recertification. Physician assistants may receive a maximum of 6.50 hours of Category I credit for completing this program.

Montana Board of Nursing

The Montana Board of Nursing allows continuing education credits that have been approved by "a professional organization that establishes criteria for continuing education in nursing, advanced nursing, medicine and other health care specialties." Nurses may receive a certificate for 6.50 hours for completing this program.

Participants should claim only the credit commensurate with the extent of their participation in the activity.

2025 Wound Healing and Hyperbaric Medicine Conference

Thursday, October 16
