Ever-Evolving Diabetes Technology in 2024 and Type 2 Diabetes Management Pearls: Overcoming Barriers and Patient Bias

Presented by

Gabriel Blomquist, PA-C
Diabetes, Endocrinology, and Metabolism
Erica Hoversland, PharmD
Ambulatory Pharmacy Services
Billings Clinic

Lecture specific objectives:

1. Identify new developments in the use of continuous glucose monitors and insulin pumps for diabetes management
2. Identify solutions to common prescribing barriers of type 2 diabetes medications.
3. Effectively work through patient concerns or biases regarding common type 2 diabetes medications.
4. Discover simple prescribing pearls that will improve patient outcomes for management of type 2 diabetes.

Sponsored by:

The Billings Clinic CME Program

Series objectives

1. Define a broad range of clinical problems and review the latest trends in clinical quality improvement and work together to improve patient care.

2. Apply information on more time-efficient and cost-efficient methods for treating patients including professional leadership in healthcare and faculty development.
3. Identify information on the latest technological advances.
4. Review the emerging trends in diagnostics, therapeutic care, health care policy, reimbursement, regulation, legal climate, medical education, and medical research.

Accreditation statements:

***AMA PRA Category 1 credits*™**

The Billings Clinic is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Billings Clinic designates this live activity for a maximum of **52 AMA PRA Category 1 Credits**™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. (Each session is worth up to **1.0** credits.)

AAFP Prescribed credit

The AAFP has reviewed 2024 Physician Grand Rounds, and deemed it acceptable for AAFP credit. Term of approval is from 01/05/2024 to 12/27/2024. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
