

Billings Clinic Physician Grand Rounds

Friday, November 1, 2024

12:15-1:15 PM

Microsoft Teams

Headache for the Non-Neurologist: How to Treat a Headache ... Without Getting One

Presented by

Anna Odermann, MD
Neurology
Billings Clinic

Lecture specific objectives:

1. Expand history and physical exam for the headache patient
2. Identify Red Flags of a Secondary Headache
3. Review basic definitions of primary headache disorders
4. Explore Workup for Headaches
5. Provide basic interventions for headache management

Sponsored by:

The Billings Clinic CME Program

Series objectives

1. Define a broad range of clinical problems and review the latest trends in clinical quality improvement and work together to improve patient care.
2. Apply information on more time-efficient and cost-efficient methods for treating patients including professional leadership in healthcare and faculty development.
3. Identify information on the latest technological advances.
4. Review the emerging trends in diagnostics, therapeutic care, health care policy, reimbursement, regulation, legal climate, medical education, and medical research.

Accreditation statements:

AMA PRA Category 1 credits™

The Billings Clinic is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Billings Clinic designates this live activity for a maximum of **52 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity. (Each session is worth up to **1.0** credits.)

AAFP Prescribed credit

The AAFP has reviewed 2024 Physician Grand Rounds, and deemed it acceptable for AAFP credit. Term of approval is from 01/05/2024 to 12/27/2024. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosures:

Today's speaker(s) and planning members have indicated they do not have any relationships to disclose. All relevant financial relationships listed have been mitigated.
