\*\* If you are having difficulty claiming credit, please reach out to [cmeteam@billingsclinic.org](mailto:cmeteam@billingsclinic.org).

**Evaluation:**

Feedback is important! Speakers need feedback to improve their presentations, activity planners need feedback to improve activities, and the CME Division needs feedback to maintain accreditation. This link can be used at any time to provide evaluation and feedback of this activity. Feedback is welcome at any time. <https://forms.office.com/r/ttnMXxeYhe>

**Lecture Series objectives:**

1. Define a broad range of clinical problems and review the latest trends in clinical quality improvement and work together to improve patient care.
2. Apply information on more time-efficient and cost-efficient methods for treating patients including professional leadership in healthcare and faculty development.
3. Identify information on the latest technological advances.
4. Review the emerging trends in diagnostics, therapeutic care, health care policy, reimbursement, regulation, legal climate, medical education, and medical research.

**Accreditation:**

***AMA PRA Category 1 credits™***

The Billings Clinic is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Billings Clinic designates this live activity for a maximum of **52 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity. (Each session is worth up to **1.0** credits.)

**AAFP Prescribed credit**

The AAFP has reviewed 2025 Physician Grand Rounds, and deemed it acceptable for AAFP credit. Term of approval is from 01/03/2025 to 12/19/2025. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Disclosures:**

Dr. Kyle Schwalbe, speaker for this educational session, has no relevant financial relationships with ineligible companies.

All persons in control of content, including members of the planning committee, do not report any relevant financial relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Any reported relationships have been mitigated.
