Eastern Montana Medicine Conference
Presented by Billings Clinic
November 3rd and 4th, 2023

2023 Eastern Montana Medicine Conference

Presented by Billings Clinic

November 3 and 4, 2023

**For Physicians, APPs, Nurses, and Allied
Health Professionals**

Course Description:

The 2023 Eastern Montana Medicine Conference offers clinical education to primary care providers (MD, DO, PA, NP) and allied health professionals in Eastern Montana. The content covers a range of general clinical review topics that are particularly challenging to evaluate and treat in the frontier primary care setting. Updates, case studies, and clinical strategies for patient evaluation and management in these areas will be presented in an informal atmosphere that facilitates audience participation and discussion.

Accreditation:

Billings Clinic is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Billings Clinic designates this Live activity for a maximum of 12.0 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Credit equivalencies for non-physician learners:

AAPA

American Academy of Physician Assistants accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit(s)*TM from organizations accredited by the ACCME. The National Commission on Certification of Physician Assistants (NCCPA) states that the *AMA PRA Category 1 Credits*TM are acceptable for continuing medical education requirements for recertification. Physician assistants may receive a maximum of 12.0 hours of Category I credit for completing this program.

Montana Board of Nursing

The Montana Board of Nursing allows continuing education credits that have been approved by "a professional organization that establishes criteria for continuing education in nursing, advanced nursing, medicine and other health care specialties." Nurses may receive a certificate for 12.0 hours for completing this program.

Participants should claim only the credit commensurate with the extent of their participation in the activity.

Course Objectives:

At the completion of this activity, attendees should be able to:

1. Discuss and compare emerging trends and developments in diagnostic and therapeutic techniques for a variety of illnesses commonly managed by rural practitioners.
2. Identify and manage a broad range of clinical issues while reviewing recent information thereby improving patient care
3. Apply new ideas and methods discussed to manage patient care in a more time-efficient and cost-effective manner
