2023 MOMA Primary Care Roundup August 3-5

2023 Primary Care Roundup

August 3-5, 2023
Thursday - Saturday

Course Description:

The MOMA Primary Care Roundup focuses on commonly seen illnesses from a variety of medical disciplines. The primary care provider, as well as the specialist, will benefit from the breadth, depth, and practicality of the subjects discussed. This in-person and virtual didactic conference presents a rare opportunity for physicians to experience education on holistic care, Osteopathic Principles and Practice, and clinical training. The conference will also be available for 60 days after the live event for on-demand viewing.

Accreditation:

The Montana Osteopathic Medical Association is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians. The Montana Osteopathic Medical Association designates this program for a maximum of 25 AOA Category 1-A credits and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

For Physician Assistants: AAPA accepts certificates of participation for educational activities certified for Category I credit from AOACCME, Prescribed credit from AAFP, and *AMA PRA Category 1 Credit*™ from organizations accredited by ACCME or a recognized state medical society. As with other professions, physician assistants should claim only the credit commensurate with the extent of their participation in the activity.

For Nurse Practitioners and licensed nursing staff (RN, LPN, etc.): The Montana Board of Nursing allows continuing education credits that have been approved by "a professional organization that establishes criteria for continuing education in nursing, advanced nursing, medicine and other health care specialties." As with other professions, nursing professionals should claim only the credit commensurate with the extent of their participation in the activity.

2023 Primary Care Roundup Faculty

- Donald Grewell, DO, FAAFP - Course Chair, MOMA
- Timothy Bikman, DO - Billings Clinic
- Gauhar Chaudhary, MD - Billings Clinic
- Jing Gao, MD, FAIUM - Rocky Vista University COM
